CAREER OBJECTIVE

I aspire to exploit my potential as I learn and apply innovative I.C.T solutions in the business environments that I am privileged to work and grow with, and ultimately evolve into an all rounded accomplished I.C.T professional.

PROFESSIONAL OBJECTIVE

I aim to secure a career opportunity to fully utilize and express my skills and training in order to contribute to the success of the organization. I wish to expand my knowledge in Information Technology as I gain years of work experience in my career.

PERSONAL PROFILE

I am a diligent individual who is focused on achieving both short term and long-term goals that I set. I respect organizational culture and principles which I easily inculcate in my day-to-day activities.
